

RIXOS HOTELS QUALITY POLICY

With guests at the heart of everything we do, planning and delivering high-quality services and creating loyal guests are primary objectives of Rixos Hotels.

Rixos Hotels is committed to

In all our activities, it is essential to implement food safety principles, provide a safe working environment, predict environmental impacts and take precautions, increase environmental awareness and protect biological diversity, and manage our energy consumption on the basis of efficiency in design, equipment and services.

We are committed to providing resources, continuous improvement, fulfilling relevant national laws and international requirements, reducing occupational safety risks, providing consultation and participation of employees and employee representatives, and providing common benefits for the environment in our regions in line with the targets set for all these activities.

As the Chairman, I fully support this quality policy that will enable Rixos Hotels to become the leader in the global tourism business and I cordially invite all employees to understand, share, and implement this policy.

Fettah Tamince Chairman of the Board

RIXOS HOTELS SUSTAINABILITY AND SOCIAL RESPONSIBILITY POLICY

Since its establishment, Rixos Hotels has respected, protected and contributed positively to the natural beauties, natural resources and the society and environment to which it owes its existence.

In launching the sustainability strategy, we recognize the critical role that all organizations must play in tackling this global challenge. We believe that we will lead the hotel industry with innovative hotel ideas and growing global investments, while ensuring that our guests have an unforgettable holiday with Rixos hospitality, while continuously improving our service and product quality, and also leading in the field of sustainable tourism.

By leveraging the tremendous energy of talent, vision, passion and innovation possessed by all members of Rixos Hotels, we hope to make a significant positive impact on the environment and communities in which we operate.

As the Chairman of the Board of Directors, I invite our employees to reduce our carbon footprint, protect biodiversity, and increase our contribution to the environment and society.

Fettah Tamince Chairman of the Board
